

# Gallery Rebels

This curriculum map provides an overview of what your child will be learning across the curriculum this half term. Learning will be linked to our focus topic - Gallery Rebels. We will...

... as **mathematicians** we will be undertaking a variety of real-life maths investigations involving money, percentages, conversion graphs and puzzles

...as **artists** we will have the opportunity to paint using different styles and different inspirations, exploring colour as we go.

...as **readers** we will be exploring myths and legends, in particular the story 'The Watertower'  
As **writers** we will be creating our own narrative writing.

...in **RSHE**, we will be continuing to revise the physical changes during puberty and safe/unsafe relationships. We will also learn about how a baby is conceived.

...as **scientists**, we will be exploring different forces (including Sir Isaac Newton and the Space Race) as well as undertaking a rocket investigation.

...we will be furthering our skills in **PE** through athletics and tennis

...as **musicians** we will be creating and performing our own compositions.

In **RE**, we will explore how people express their religious and spiritual ideas through art.

... in **computing**, we will using and applying the skills we have learnt this year.

...in **French** we will complete our work on "A l'ecole" and learn the vocabulary of "Le weekend".

This curriculum map is correct at the time of going to print but is subject to change. If you have any questions about our curriculum, please speak to your child's class teacher.
